## INTRODUCTION

### SECTION A: CHILD DEVELOPMENT, LEARNING AND CARE

#### Task A.1: Facilitate the development and behaviour of children

- **A.1.2:** Facilitate Cognitive Development of School-age Children  
- **A.1.3:** Facilitate Language Development of School-age Children  
- **A.1.4:** Facilitate Social Development of School-age Children  
- **A.1.5:** Facilitate Acceptance of Diversity by School-age Children  
- **A.1.6:** Facilitate Emotional Development of School-age Children  
- **A.1.7:** Facilitate Creative Development of School-age Children  
- **A.1.8:** Facilitate Physical Development of School-age Children  
- **A.1.9:** Facilitate Development of Social and Civic Responsibility in School-age Children  
- **A.1.10:** Prevent Bullying by School-age Children  
- **A.1.11:** Address Bullying by School-age Children

#### Task A.2: Develop, implement and evaluate programs

- **A.2.6:** Develop Kindergarten Program  
- **A.2.7:** Develop School-age Program  
- **A.2.8:** Develop Multi-age Program

#### Task A.3: Support the holistic development of all children

- **A.3.1:** Build Meaningful Relationships with School-age Children  
- **A.3.2:** Identify and Expand Upon Learning Opportunities/Teachable Moments with School-age Children

#### Task A.4: Meet health, safety and well-being needs

- **A.4.11:** Promote a Healthy Lifestyle For School-age Children  
- **A.4.13:** Actively Supervise School-age Children

#### Task A.5: Meet nutritional needs

- **A.5.3:** Promote Healthy Eating for School-age Children

#### Task A.6: Guide children’s behaviour

- **A.6.3:** Promote a Healthy Lifestyle For School-age Children  
- **A.6.4:** Facilitate Acceptance of Diversity by School-age Children  
- **A.6.5:** Facilitate Emotional Development of School-age Children  
- **A.6.10:** Facilitate Creative Development of School-age Children  
- **A.6.11:** Facilitate Physical Development of School-age Children  
- **A.6.12:** Facilitate Development of Social and Civic Responsibility in School-age Children

### SECTION B: EQUIPMENT AND FACILITIES

#### Task B.1: Develop and maintain a safe environment

- **B.1.5:** Operate and maintain facilities
Task B.3: Use Digital Technology
   B.3.1: Use Digital Technology

SECTION C: FAMILY AND COMMUNITY RELATIONS

Task C.5: Collaborate with schools
   C.5.1: Form Collaborative Partnerships with Schools
   C.5.2: Communicate with Schools

ACKNOWLEDGEMENTS
Why create occupational profiles for infant and school-age child care?

Two addendums have been developed to accompany the Occupational Standards for Early Childhood Educators: the *Infant Care Profile* and the *School-Age Care Profile*. While the core knowledge required for ECEs remains the same, these addendums recognize that ECEs require specific skills and knowledge to work with these age groups. In both cases, the addendums are meant to accompany and enhance the base Occupational Standards for ECEs, not replace them.

About the School Age Profile

The *School-Age Care Profile* is intended to apply to Early Childhood Educators working primarily with children who are of school age in the jurisdiction in which they reside (for example: 4 years to 12 years of age). The profile focuses exclusively on:

- those subtasks identified in the *Occupational Standards for Early Childhood Educators* that have been enhanced with additional school age specific knowledge, skills and abilities; and
- new subtasks specific to school age care that were not captured in the 2010 Occupational Standards for ECEs. It is important to remember that the profiles are an addendum to the ECE Standards and do not replace them. This means that the 2010 standards still describe knowledge, skills and abilities required by an ECE providing school age care.

ECEs providing school age care work closely with families and schools to create a continuum of learning and development, engaging and empowering children as they become more autonomous. ECEs facilitate the children’s development as they take more control over their activities and decisions, explore peer relationships, and learn how to resolve their own problems and conflicts. ECEs model and promote appropriate social relationships, language, and behaviour and may detect and address bullying. As children are using technology at increasingly younger ages, ECEs working with school age children need to keep up to date with the technology to assist children in using this technology safely for the purpose of furthering their interests and education. For all of these reasons, ECEs working with this age group require specific knowledge, skills and abilities to adapt to working with these children.

The profile subtasks also contain Contextual Rating Information. These ratings provide information on how important the subtask is, how frequently the subtask is performed and how long it takes for a new ECE working with school age children to be able to carry out the task competently. Educators use this information to assist in the design of training programs. These ratings were provided and validated by ECEs providing school age care. The rating scales used for this assessment are:

**Importance:**

- **Important:** low risk to the operation if not performed correctly, e.g., minimal risk to children’s well-being, minimal disruption to centre’s operations
- **Very important:** moderate risk to the operation if not performed correctly, e.g., some risk to children’s well-being, could incur fines
- **Extremely important:** high risk to the operation if not performed correctly, e.g., risk to children’s well-being, parents may withdraw children from centre
- **Critical:** severe risk to the operation if not performed correctly, e.g., children’s lives at risk, centre could have license revoked, organization held liable, administrator could lose job

**Frequency:**

- **Constantly:** often, several times a day
- **Regularly:** on a scheduled basis, informally or formally, once a day, once a week
- **Occasionally:** several times a week
- **As needed:** when required
- **Rarely:** seldom, once every couple months, once a year
Time to perform proficiently: Number of months or years it generally takes a new School Age Care Educator, who has graduating from an ECE program, to perform the subtask without supervision, e.g. 2 weeks

About the Task Chart
In the Task Chart you will be able to see, at a glance, which subtasks are enhanced or have been added to the ECE NOS. In the small box below each subtask, the abbreviations “SAC” is used to indicate School Age Care and “IC” is used to indicate Infant Care. When SAC or IC appears under a subtask it indicates that the subtask has been enhanced and included in the School Age Care or Infant Care Profile. A subtask can be enhanced for both age groups and will have both the IC and SAC abbreviation below it. The designation IC specific or SAC specific indicates a new subtask that applies only to ECEs working with that specific age group.

Each profile contains only the subtasks that have been enhanced and revised context statements where needed. The enhanced IC or SAC subtasks contain the content of the ECE standards, but has been modified to incorporate the knowledge, skills and abilities that are specific to working with the infant or school age group.

A Note About the Child Care Human Resources Sector Council (CCHRSC)
The Child Care Human Resources Sector Council (CCHRSC) operated from 2003 – 2013. The only pan-Canadian organization dedicated to moving forward on human resources (HR) issues in Canada’s early childhood education and care sector, the CCHRSC brought together national partners and other sector representatives to help develop a confident, knowledgeable, skilled, and respected workforce valued for its contribution to early childhood education and care. The CCHRSC’s goals were to:

* Build and share knowledge to advance HR and labour market issues;
* Create tools to promote good HR management practices;
* Foster the development of a skilled workforce;
* Provide leadership and coordination on HR issues; and

Engage sector stakeholders to ensure a comprehensive, coordinated and responsive approach.

Although the CCHRSC dissolved in 2013 following changes to HRSDC’s Sector Council Program, including the elimination of core funding to all councils, the organization contributed much to the sector throughout its ten year history. From developing more collaborative ways of working together to conducting major research studies and creating tools including Occupational Standards for Early Childhood Educators, Occupational Standards for Child Care Administrators, and the Infant and School Age Profiles, the CCHRSC leaves an extensive legacy of resources that can be used for years to come. Visit www.ccsc-cssge.ca to access the many tools and resources created over the years.
Facilitate the development and behavior of children

Context Statement:

Early Childhood Educators facilitate daily experiences that support and promote each child’s physical, language, emotional, cognitive, social and creative development and behaviour using applicable observation tools while respecting inclusion principles and diversity issues.

The following sub-tasks of Task A.1 have been enhanced and are detailed on pages 4 – 19:

A.1.2: Facilitate Cognitive Development of School-age Children
A.1.3: Facilitate Language Development of School-age Children
A.1.4: Facilitate Social Development of School-age Children
A.1.5: Facilitate Acceptance of Diversity by School-age Children
A.1.6: Facilitate Emotional Development of School-age Children
A.1.7: Facilitate Creative Development of School-age Children
A.1.8: Facilitate Physical Development of School-age Children
A.1.9: Facilitate Development of Social and Civic Responsibility in School-age Children
A.1.10: Prevent Bullying by School-age Children
A.1.11: Address Bullying by School-age Children
### Sub-Task A.1.2

**FACILITATE COGNITIVE DEVELOPMENT OF SCHOOL-AGE CHILDREN**

<table>
<thead>
<tr>

<td>b) communicate with children (e.g., non-verbal techniques, home language(s), group discussions);</td>
</tr>
<tr>
<td>3) developmental practices for promoting and supporting language development;</td>
<td>c) determine language(s) spoken in the home;</td>
</tr>
<tr>
<td>4) resource people in the environment and/or community (e.g., colleagues, custodial engineers, teachers and other members of school team, professional associations, developmental specialists, parents, students);</td>
<td>d) determine children’s language abilities according to ages and stages of development;</td>
</tr>
<tr>
<td>5) resource materials (e.g., educational games, songbooks);</td>
<td>e) identify factors affecting language capacity (e.g., environmental, intellectual, cultural, physiological);</td>
</tr>
<tr>
<td>6) learning styles (e.g., kinesthetic, spatial, linguistic, musical, naturalist, logical);</td>
<td>f) identify beliefs and practices that affect language use and development;</td>
</tr>
<tr>
<td>7) different types of intelligence (e.g., emotional, social, verbal and physical intelligence);</td>
<td>g) implement strategies to facilitate language use and development, in collaboration with specialists and parents (e.g., teamwork, debriefing, problem-solving, joke telling, open-ended discussions, word play, theatrical improvisation);</td>
</tr>
<tr>
<td>8) program and quality standards regarding observation techniques and language development;</td>
<td>h) implement specific strategies for individual children with language difficulties, on the advice of teachers, specialists and parents (e.g., reformulation, modelling, rhyming, use of visuals).</td>
</tr>
<tr>
<td>9) cultural diversity theories and approaches.</td>
<td></td>
</tr>
</tbody>
</table>

**Contextual Information - Task Ratings:**

- Importance: very important
- Frequency: ongoing
- Time to perform proficiently: 1 to 12 months, or higher if the population includes children learning a second language
### FACILITATE SOCIAL DEVELOPMENT OF SCHOOL-AGE CHILDREN

#### Required core knowledge

*ECEs know:*

1. child social development theories (e.g., Piaget, Vygotsky, Goleman);
2. learning styles (e.g., kinesthetic, spatial, linguistic, musical, naturalist, logical);
3. different types of intelligence (e.g., emotional, social, verbal and physical intelligence);
4. cultural approaches to socialization;
5. theories of group dynamics (e.g., social roles);
6. program and quality standards regarding observation techniques and social development;
7. typical social behaviours relating to developmental disorders (e.g., autism, hyperactivity, autism spectrum disorders);
8. children’s families and extended support networks, if applicable;
9. resource people in the environment and/or community (e.g., colleagues, custodial engineers, teachers and other members of school team, professional associations, developmental specialists, parents, students);
10. resource materials (e.g., rules and instructions for games and activities);
11. forms of aggression in children (e.g., physical, verbal and indirect) relative to their stages of development;
12. strategies to reduce children’s aggressive behaviours and to assist with self-regulation;
13. shared space guidelines, if applicable.

#### Required skills and abilities

*ECEs are able to:*

- a) model appropriate social interactions;
- b) observe:
  - children’s interactions with peers, family members and other adults individually and in groups;
  - children’s arrivals and/or departures;
  - children’s stages of social development;
  - children’s interactions with their environment;
  - children’s communication skills and body language;
  - children’s peer group entry skills;
  - how children manage stress, conflicts and their emotions;
  - how children manage transition times in the program;
  - aggressive behaviours to identify catalysts, aggressors and victims;
- c) engage or interact with children, as needed (e.g., ask how school was today);
- d) identify factors that may impact the social behaviour of each child (e.g., mood and physical condition, nutrition, transitions, challenges with academic performance, onset of puberty, teasing by peers, cultural diversity, environment);
- e) create a harmonious environment for children’s social development, for example:
  - set clear expectations;
  - arrange the environment according to interest;
  - balance group time and individual time;
• provide responsive supervision of the group;
• engage the group in interesting and challenging activities;
• allow for choices of activities;

f) provide opportunities for problem-solving, teamwork and participative management;

g) facilitate children’s entry skills;
h) encourage and support children in their interactions with their peers (e.g., conflict resolution, cooperative exchanges);
i) facilitate children’s awareness of the needs of others;
j) encourage and support children’s friendships;
k) distinguish between rough and tumble play and aggressive behaviours;
l) facilitate children’s relationships in the community (e.g., linkages to outreach programs, volunteerism, visits to community, guest speakers).

**Contextual Information - Task Ratings:**

- Importance: extremely important
- Frequency: ongoing
- Time to perform proficiently: 1 to 12 months
### Sub-Task A.1.5

**FACILITATE ACCEPTANCE OF DIVERSITY BY SCHOOL-AGE CHILDREN**

#### Required core knowledge

_ECEs know:

1) different socio-economic and cultural realities of the children;
2) immigrant adjustment process;
3) concepts of discrimination, prejudice, homophobia, racism, etc.;
4) impact of family (e.g., parenting styles, family composition and dynamics) and community experiences on children’s acceptance of diversity;
5) impact of media and the Internet on children’s acceptance of diversity;
6) shared space guidelines, if applicable._

#### Required skills and abilities

_ECEs are able to:

a) model a positive attitude towards diversity (e.g., family, cultural, special needs);

b) provide an environment that reflects the make-up of the group (e.g., decorations, food, room set-up, aesthetics);

c) provide an environment where children feel comfortable and safe disclosing personal issues (e.g., sexual orientation, mental health, racial discrimination);

d) integrate materials and activities that reflect diversity into programming and environment;

e) check and validate perceptions (e.g., why a child does not look an adult in the eye);

f) promote positive attitudes towards differences (e.g., body sizes and shapes, differing abilities, ethnicity);

g) adapt communication style to each child (e.g., use vocabulary and body language that the child can understand);

h) challenge stereotypes about differences (e.g., race, religion, ethnicity, sexual orientation, socio-economic status, skills, physical appearance) expressed by children, other adults and media;

i) promote discussion to encourage children to develop critical awareness._

---

**Contextual Information - Task Ratings:**

- **Importance:** extremely important
- **Frequency:** ongoing
- **Time to perform proficiently:** 1 to 12 months
### Sub-Task A.1.6

#### FACILITATE EMOTIONAL DEVELOPMENT OF SCHOOL-AGE CHILDREN

Task A.2

Develop, implement and evaluate programs

Context Statement:

In partnership with their organizations and families, Early Childhood Educators research information to develop and implement programs that meet the developmental needs of the children within their settings, as determined by the age groups and stages of development of children with which they work. Through the use of a variety of observation methods and techniques, ECEs note the progress of each child within the various domains of child development.

The following sub-tasks of Task A.2 have been enhanced and are detailed on pages 22 – 27:

A.2.6: Develop Kindergarten Program
A.2.7: Develop School-age Program
A.2.8: Develop Multi-age Program
## Sub-Task A.2.6

### DEVELOP KINDERGARTEN PROGRAM

<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>ECEs know:</strong></td>
<td><strong>ECEs are able to:</strong></td>
</tr>
<tr>
<td>1) child development theories (e.g., Piaget, Neo-Piaget, cultural-social development, ecological systems theory);</td>
<td>a) document observations, as required;</td>
</tr>
<tr>
<td>2) attachment theories (e.g., Brolly, Bowlby);</td>
<td>b) empathize with the children;</td>
</tr>
<tr>
<td>3) individual children’s relationships with parents within their socio-cultural context, as applicable;</td>
<td>c) be available to children (e.g., play with them, show interest in what they are doing, spend time with them, use open body language, be aware of what is going on in the room);</td>
</tr>
<tr>
<td>4) effective communication skills;</td>
<td>d) interact with children socially and emotionally (e.g., sit with small groups at snack time, share personal life stories with children);</td>
</tr>
<tr>
<td>5) diverse approaches.</td>
<td>e) model and engage in active listening;</td>
</tr>
<tr>
<td></td>
<td>f) model and engage in respectful communication (e.g., positive language, tone of voice, body language, position self at child’s level);</td>
</tr>
<tr>
<td></td>
<td>g) provide opportunities for children to experience success;</td>
</tr>
<tr>
<td></td>
<td>h) respond to children’s verbal and non-verbal cues;</td>
</tr>
<tr>
<td></td>
<td>i) encourage children to make choices, solve problems and make decisions;</td>
</tr>
<tr>
<td></td>
<td>j) provide reassurance and support;</td>
</tr>
<tr>
<td></td>
<td>k) demonstrate consistency in behaviour and consequences;</td>
</tr>
<tr>
<td></td>
<td>l) develop a trusting bond with each child (e.g., teach respect of self; promote attachment, feeling of security, self-awareness and feeling of belonging);</td>
</tr>
<tr>
<td></td>
<td>m) establish and maintain clear and appropriate boundaries in relationships with children (e.g., emotional, physical and sexual boundaries);</td>
</tr>
</tbody>
</table>
n) allow the relationship with children to change as they mature, for example:
   • respect their friendships;
   • foster their autonomy;
   • offer more freedom of choice;
   • respect their communication needs;
   • treat them as allies;
   • reward their maturity by offering responsibilities and privileges, (e.g., assign helper tasks, give them jobs and reward them for work well done).

**Contextual Information - Task Ratings:**

- Importance: extremely important
- Frequency: ongoing
- Time to perform proficiently: 3 to 9 months
### Sub-Task A.3.2

**IDENTIFY AND EXPAND UPON LEARNING OPPORTUNITIES/TEACHABLE MOMENTS WITH SCHOOL-AGE CHILDREN**

<table>
<thead>

</tr>
</tbody>
</table>
- speak to children in private;

l) use positive and negative experiences as opportunities to teach:
- describe experience;
- explain circumstances;
- facilitate dialogue about possible choices;
- make lessons learned transparent.

**Contextual Information - Task Ratings:**

- Importance: very important to extremely important
- Frequency: ongoing
- Time to perform proficiently: 3 to 6 months
Task A.4

Meet health, safety and well-being needs

Context Statement:

Early Childhood Educators develop and maintain settings and environments that promote the health, welfare and safety of all children. They complete a variety of health and safety procedures and comply with quality standards, current laws and regulations associated with healthy and safe environments.

The following sub-tasks of Task A.4 have been enhanced and are detailed on pages 36 – 39:

A.4.11: Promote a Healthy Lifestyle For School-age Children
A.4.13: Actively Supervise School-age Children
### Sub-Task A.4.11

**PROMOTE A HEALTHY LIFESTYLE FOR SCHOOL-AGE CHILDREN**

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
</table>

**ECEs know:**
1) relaxation techniques;
2) quality standards;
3) hygiene measures;
4) strategies for children’s health;
5) child’s family and personal circumstances (e.g., parental separation or divorce, family move), if applicable;
6) child’s individual requirements (e.g., food restrictions, allergies, disease or illness);
7) signs and symptoms of mental illness, risky behaviours, unhealthy body image.

**ECEs are able to:**

a) promote and model good hygiene habits (e.g., encourage hand-washing, provide opportunities to discuss bathing or showering, invite experts such as nurses to discuss hygiene);
b) promote and model a balanced lifestyle, for example:
   - adequate physical exercise;
   - healthy eating habits;
c) promote need for adequate sleep and time for relaxation;
d) promote children’s physical and mental health;
e) help children develop relaxation techniques;
f) collaborate with other professionals and agencies to enhance health in the program;
g) provide opportunities for outdoor activities every day;
h) provide parents with resources that promote a healthy lifestyle;
i) recognize signs and symptoms of childhood and pre-adolescent health problems, including mental health issues, social issues, and risky behaviours (e.g., eating disorders):
   - discuss issue with supervisor and/or parent accordingly;
j) encourage children to think critically about media messages concerning unhealthy lifestyles (e.g., unrealistic body images, high-risk activities, cosmetic surgery, gangs, substance abuse, fast food advertising);
### Contextual Information - Task Ratings:

</tr>
<tr>
<td></td>
<td>d) recognize when redirection and intervention are required;</td>
</tr>
<tr>
<td></td>
<td>e) maintain child-staff ratios;</td>
</tr>
<tr>
<td></td>
<td>f) anticipate and communicate transitions (e.g., minimize opportunities for disruptive behavior, minimize waiting times);</td>
</tr>
<tr>
<td></td>
<td>g) record and communicate ongoing number of children;</td>
</tr>
<tr>
<td></td>
<td>h) work collaboratively with team members;</td>
</tr>
<tr>
<td></td>
<td>i) create environments that do not impede supervision;</td>
</tr>
<tr>
<td></td>
<td>j) engage children and facilitate play appropriately;</td>
</tr>
<tr>
<td></td>
<td>k) move between supervision styles as needed (e.g., move from group care to indirect supervision when children are leaving the main play area);</td>
</tr>
<tr>
<td></td>
<td>l) supervise sports and active games:</td>
</tr>
<tr>
<td></td>
<td>• ensure children have shared understanding of the rules of the game and acceptable behaviour;</td>
</tr>
<tr>
<td></td>
<td>• encourage healthy team spirit;</td>
</tr>
<tr>
<td></td>
<td>• establish the length and intensity of the activity and frequency of breaks to take into account each child’s limits;</td>
</tr>
<tr>
<td></td>
<td>• ensure each child has the skills, aptitudes and equipment necessary to participate safely;</td>
</tr>
<tr>
<td>• model and facilitate conflict resolution, as necessary;</td>
<td></td>
</tr>
<tr>
<td>m) recognize that different age groups require different levels of privacy and time alone:</td>
<td></td>
</tr>
<tr>
<td>• provide time and space for each child or group of children, as appropriate;</td>
<td></td>
</tr>
<tr>
<td>n) ensure children’s use of technology (e.g., computers, gaming, social media) remains within the bounds of policies and procedures;</td>
<td></td>
</tr>
<tr>
<td>o) follow procedures for observed or suspected physical, verbal or sexual harassment among school-age children:</td>
<td></td>
</tr>
<tr>
<td>• document incidents;</td>
<td></td>
</tr>
<tr>
<td>• notify appropriate person(s).</td>
<td></td>
</tr>
</tbody>
</table>

**Contextual Information - Task Ratings:**

- **Importance:** critical
- **Frequency:** ongoing
- **Time to perform proficiently:** 1 to 3 months
Task A.5

Meet nutritional needs

Context Statement:

Early Childhood Educators may plan and provide nutritious meals and snacks and promote and demonstrate healthy eating habits for children. They may be responsible for the preparation of food and for the nutrition of children of varying ages and with various dietary needs and considerations. ECEs follow health and safety precautions and safe food-handling practices in the preparation and provision of food.

The following sub-task of Task A.5 has been enhanced and is detailed on page 42:

A.5.3: Promote Healthy Eating for School-age Children
Sub-Task A.5.3

PROMOTE HEALTHY EATING FOR SCHOOL-AGE CHILDREN

<table>
<thead>

- Time to perform proficiently: 1 to 3 months
Task A.6

Guide children’s behaviour

Context Statement:

Early Childhood Educators use a variety of behaviour guidance techniques that are proactive and appropriate to the ages and stages of development, recognizing individual competency of each child in order to positively guide behaviour.

The following sub-tasks of Task A.6 have been enhanced and are detailed on pages 44 – 53, and include:

A.6.3: Promote a Healthy Lifestyle For School-age Children
A.6.4: Facilitate Acceptance of Diversity by School-age Children
A.6.5: Facilitate Emotional Development of School-age Children
A.6.10: Facilitate Creative Development of School-age Children
A.6.11: Facilitate Physical Development of School-age Children
A.6.12: Facilitate Development of Social and Civic Responsibility in School-age Children
### Sub-Task A.6.3

**IMPLEMENT POSITIVE BEHAVIOUR GUIDANCE FOR SCHOOL-AGE CHILDREN**

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>ECEs know:</strong></td>
<td><strong>ECEs are able to:</strong></td>
</tr>
<tr>
<td>1) conflict resolution approaches;</td>
<td>a) build positive, trusting relationship with children and their families;</td>
</tr>
<tr>
<td>2) intervention approaches and methods (e.g., democratic interventions);</td>
<td>b) model positive social skills;</td>
</tr>
<tr>
<td>3) observation methods and tools;</td>
<td>c) use prevention strategies to minimize behavioural issues, for example:</td>
</tr>
<tr>
<td>4) group dynamics;</td>
<td>• observation of child and communication with teacher;</td>
</tr>
<tr>
<td>5) prevention strategies;</td>
<td>• physical set-up of the environment;</td>
</tr>
<tr>
<td>6) shared space guidelines, if applicable.</td>
<td>• activities that match children’s needs and interests;</td>
</tr>
<tr>
<td></td>
<td>• quiet spaces for children to retreat to or remove themselves from situation or others;</td>
</tr>
<tr>
<td></td>
<td>d) recognize effects of school, peers, family, physical environment, schedules, routines and transitions on behaviour;</td>
</tr>
<tr>
<td></td>
<td>e) observe and gather information from children to identify possible reasons for behaviour;</td>
</tr>
<tr>
<td></td>
<td>f) recognize the dynamics of a specific group of children and how these dynamics relate to the children’s behaviour;</td>
</tr>
<tr>
<td></td>
<td>g) use positive language when responding to children’s behaviour;</td>
</tr>
<tr>
<td></td>
<td>h) act consistently and positively (e.g., follow through with expectations for individual children within the program, reinforce appropriate behaviour);</td>
</tr>
<tr>
<td></td>
<td>i) implement behavioural management methods that are consistently applied by all staff and adapted for specific children’s needs (e.g., follow the individualized intervention plan);</td>
</tr>
<tr>
<td></td>
<td>j) identify needs of the child;</td>
</tr>
</tbody>
</table>
k) facilitate patterns of interactions (i.e., social
dynamics of the group);
l) give clear directions (e.g., use positive tone of voice
and body language);
m) establish, model, and encourage children to use
conflict resolution methods;
n) give children strategies to develop emotional skills
(e.g., self-control and self-regulation);
o) reinforce positive behaviour;
p) promote self-esteem;
q) foster development of children’s autonomy;
r) involve the parent, teacher and other professionals in
the process, as needed and if applicable, to promote
change in behaviour.

Contextual Information - Task Ratings:

- Importance: extremely important to critical
- Frequency: ongoing
- Time to perform proficiently: 12 to 18 months
### Sub-Task A.6.4

**FACILITATE APPROPRIATE LANGUAGE OF SCHOOL-AGE CHILDREN**

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><em>ECEs know:</em></td>
<td><em>ECEs are able to:</em></td>
</tr>
<tr>
<td>1) communication methods;</td>
<td>a) help children to verbalize their feelings and needs and expand their vocabulary;</td>
</tr>
<tr>
<td>2) language(s) used in the home;</td>
<td>b) listen actively to children’s language;</td>
</tr>
<tr>
<td>3) children’s language development stages.</td>
<td>c) recognize and reformulate children’s vocabulary;</td>
</tr>
<tr>
<td></td>
<td>d) recognize appropriate forms of language according to age and social development (e.g., 9 to 12 year olds’ use of irony and joke-telling);</td>
</tr>
<tr>
<td></td>
<td>e) provide opportunities to foster language development, for example:</td>
</tr>
<tr>
<td></td>
<td>• use books from school and municipal libraries;</td>
</tr>
<tr>
<td></td>
<td>• create videos, stories, comics and skits;</td>
</tr>
<tr>
<td></td>
<td>f) monitor the use of inappropriate language (e.g., slang, jokes, profanity):</td>
</tr>
<tr>
<td></td>
<td>• encourage more appropriate forms of expression when required;</td>
</tr>
<tr>
<td></td>
<td>g) model and promote the use of language that shows respect for all (e.g., gender, sexual orientation, ethnicities, races, religions, physical and mental abilities, socio-economic status);</td>
</tr>
<tr>
<td></td>
<td>h) use an appropriate linguistic model (e.g., vocabulary, syntax).</td>
</tr>
</tbody>
</table>

**Contextual Information - Task Ratings:**

- Importance: *very important*
- Frequency: *ongoing*
- Time to perform proficiently: *1 to 6 months*
### Sub-Task A.6.5

**FACILITATE CONFLICT RESOLUTION AMONG SCHOOL-AGE CHILDREN**

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><em>ECEs know:</em></td>
<td><em>ECEs are able to:</em></td>
</tr>
<tr>
<td>1) conflict resolution methods (e.g., 6-step problem-solving method; Stop Now and Plan (SNAP));</td>
<td>a) interpret children’s verbal and non-verbal communication:</td>
</tr>
<tr>
<td>2) communication methods;</td>
<td>• consider the cultural context of the children and their families;</td>
</tr>
<tr>
<td>3) culturally accepted behaviour;</td>
<td>b) use active listening (e.g., maintain visual contact);</td>
</tr>
<tr>
<td>4) developmental differences or specific diagnoses of children;</td>
<td>c) show respect for the children’s emotions, expressed or suppressed;</td>
</tr>
<tr>
<td>5) intervention techniques.</td>
<td>• encourage children to identify and express their emotions appropriately;</td>
</tr>
<tr>
<td></td>
<td>d) provide a safe space (i.e., physical space or amount of time) for the child to calm down, if needed;</td>
</tr>
<tr>
<td></td>
<td>e) determine severity of the conflict or issue:</td>
</tr>
<tr>
<td></td>
<td>• monitor the situation and determine if children can handle the conflict on their own or if it is time to intervene;</td>
</tr>
<tr>
<td></td>
<td>f) promote children’s autonomy:</td>
</tr>
<tr>
<td></td>
<td>• establish and model conflict resolution methods (e.g., bring children together to discuss the issues or situation);</td>
</tr>
<tr>
<td></td>
<td>• support children in the development of acceptable self-regulation skills;</td>
</tr>
<tr>
<td></td>
<td>• develop children’s abilities to take ownership of conflict resolution methods;</td>
</tr>
<tr>
<td></td>
<td>g) complete reporting requirements (e.g., complete incident report, explain issue to parents).</td>
</tr>
</tbody>
</table>

### Contextual Information - Task Ratings:

- Importance: extremely important
- Frequency: ongoing
- Time to perform proficiently: 6 to 18 months
# Facilitate Problem-Solving Skills with School-Age Children

## Required Core Knowledge

*ECEs know:*

1. problem-solving techniques;
2. positive behaviour guidance strategies;
3. child developmental stages (e.g., cognitive, physical, emotional);
4. each child’s developmental level.

## Required Skills and Abilities

*ECEs are able to:*

a) introduce problem-solving strategies appropriate to the age group and environment;
b) lead children to think and come up with their own age-appropriate solutions;
c) demonstrate flexibility and creativity in order to adapt to situations;
d) provide a safe environment while children work towards solutions to their problems;
e) help children to understand the consequences of their decisions and actions on others and themselves;
f) share decision-making between staff and children;
g) encourage children to take responsibility for problems and personal challenges:
   - guide children through the problem-solving process;
   - ask questions to help children make appropriate decisions;
   - respect children’s responses and choices;
   - help children articulate the problem, decisions made, and strategies used for future reference (e.g., create a social contract or a visual tool);
   - show consistency in supportive actions (e.g., use non-verbal cue as reminders rather than verbal repetition, use physical proximity);
h) acknowledge children’s efforts in order to reinforce the problem-solving process;

i) follow-up, for example:
   - ask children if the solution worked;
<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>• ask if they would do anything differently or how</td>
<td>• document outcomes;</td>
</tr>
<tr>
<td>they would avoid the situation;</td>
<td>• report outcomes to parents.</td>
</tr>
<tr>
<td>• ask if they would do anything differently or how</td>
<td></td>

<td>k) recognize the stressors</td>
</tr>
<tr>
<td></td>
<td>inherent in the school</td>
</tr>
<tr>
<td></td>
<td>environment (e.g., performance assessment, long periods of passivity, requirement for sustained concentration);</td>
</tr>
</tbody>
</table>
l) provide options for managing stress:
   - engage children in individual or group discussions regarding issues of stress or change (e.g., academic failure, early puberty, moving, parental divorce, death);
   - encourage healthy physical stress management techniques, (e.g., breathing, yoga, martial arts, downtime, outdoor activities);
   - provide materials and/or resources, (e.g., squishy balls, quiet space, reading materials);

m) demonstrate adaptability and flexibility.

<table>

</tr>
</tbody>
</table>

---

**Important Note:**

- The document contains a table that lists options for managing stress, which are described in detail. The table includes specific strategies such as engaging children in discussions, encouraging healthy physical techniques, and providing materials. The importance, frequency, and time to perform proficiently are also noted for each task.
### Sub-Task A.6.12

**EMPOWER SCHOOL-AGE CHILDREN**

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>ECEs know:</strong></td>
<td><strong>ECEs are able to:</strong></td>
</tr>
<tr>
<td>1) observation methods;</td>
<td>a) treat each child as a unique individual;</td>
</tr>
<tr>
<td>2) child development theories (e.g., Piaget, Vygotsky, Goleman);</td>
<td>b) provide opportunities for children to express their opinions and listen to each other;</td>
</tr>
<tr>
<td>3) research and resources related to promoting child empowerment, leadership and voice (e.g., Acti-midi, Me to We, Kielburger’s organization, Children as Competent Learners);</td>
<td>c) identify leadership skills and qualities in each child;</td>
</tr>
<tr>
<td>4) importance of self-esteem and identity to school-age children;</td>
<td>d) provide children with leadership opportunities:</td>
</tr>
<tr>
<td>5) aspects of child and youth culture (e.g., use of technologies, vocabulary, clothing and music);</td>
<td>• help children to plan projects and gather resources;</td>
</tr>
<tr>
<td>6) child and youth culture within the larger community context in which children and families live;</td>
<td>• involve children in planning daily activities (e.g., snacks, outdoor games, cleaning, designing physical space) and special events;</td>
</tr>
<tr>
<td>7) shared space guidelines, if applicable.</td>
<td>• share leadership tasks with children, as appropriate;</td>
</tr>
<tr>
<td></td>
<td>e) facilitate opportunities for community involvement (e.g., outreach activities, community festivals and events, fundraisers, neighbourhood clean-ups);</td>
</tr>
<tr>
<td></td>
<td>f) provide an environment that offers choices:</td>
</tr>
<tr>
<td></td>
<td>• assist children in making informed and responsible choices;</td>
</tr>
<tr>
<td></td>
<td>• respect children’s personal choice (e.g., choice of peer for group activities, activities);</td>
</tr>
<tr>
<td></td>
<td>g) encourage children to develop new skills and interests, for example:</td>
</tr>
<tr>
<td></td>
<td>• give clear directions so that children can proceed independently;</td>
</tr>
<tr>
<td></td>
<td>• provide written instructions or pictograms;</td>
</tr>
<tr>
<td></td>
<td>• encourage peer-learning (e.g., to learn the rules of a game);</td>
</tr>
<tr>
<td></td>
<td>h) provide children with opportunities to set short-term and long-term goals;</td>
</tr>
</tbody>
</table>
i) maintain appropriate emotional and physical boundaries between children and adults;

j) facilitate discussions about topics of interest (e.g., current events, music):
   - respect cultural and familial sensitivities by redirecting some topics to back to parents (e.g., relationships between boys and girls, inappropriate touching, puberty);

k) ask children for verbal or written feedback about their needs and interests.

**Contextual Information - Task Ratings:**

- Importance: *very important to extremely important*
- Frequency: *ongoing*
- Time to perform proficiently: *9 to 12 months*
Task B.1

Develop and maintain a safe environment

Context Statement:

Early Childhood Educators perform regular equipment and facilities inspections, monitor and perform minor maintenance activities, and follow health and safety practices to develop and maintain a safe environment for children.

The following sub-task of Task A.5 has been enhanced and is detailed on page 56:

B.1.5: Operate and maintain facilities
Sub-Task B.1.5

**ADAPT PROGRAMMING AND EQUIPMENT TO SHARED SPACE**

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><em>ECEs know:</em></td>
<td><em>ECEs are able to:</em></td>
</tr>
<tr>
<td>1) other uses and users of shared space;</td>
<td>a) establish rules for sharing space (e.g., schedule,</td>
</tr>
<tr>
<td>2) resources shared by users of the space;</td>
<td>layout, use of equipment and materials) through</td>
</tr>
<tr>
<td>3) policies and procedures for shared space.</td>
<td>open communication among those responsible;</td>
</tr>
<tr>
<td></td>
<td>b) maintain good relationships with all users, for</td>
</tr>
<tr>
<td></td>
<td>example:</td>
</tr>
<tr>
<td></td>
<td>• clean and tidy space for the next users before</td>
</tr>
<tr>
<td></td>
<td>leaving;</td>
</tr>
<tr>
<td></td>
<td>• respect the schedule;</td>
</tr>
<tr>
<td></td>
<td>• follow the guidelines concerning the sharing of</td>
</tr>
<tr>
<td></td>
<td>materials and equipment;</td>
</tr>
<tr>
<td></td>
<td>• speak to the appropriate person/people in case</td>
</tr>
<tr>
<td></td>
<td>of problems</td>
</tr>
<tr>
<td></td>
<td>c) organize the use of materials to maximize efficient</td>
</tr>
<tr>
<td></td>
<td>use of shared space;</td>
</tr>
<tr>
<td></td>
<td>d) follow facility’s protocols regarding health, safety</td>
</tr>
<tr>
<td></td>
<td>and emergency preparedness.</td>
</tr>
</tbody>
</table>

**Contextual Information - Task Ratings:**

- Importance: extremely important
- Frequency: daily
- Time to perform proficiently: 1 to 3 months
Task B.3

Use digital technology

Context Statement:

Early Childhood Educators are expected to use digital technology in the programming and operations of the organization. They use digital technologies to enhance the learning activities and experiences of children, especially with school-age children who use digital technology on a daily basis. ECEs use digital technology to communicate with colleagues, families and professionals and to document children’s progress. ECEs are expected to stay up to date with new technology and trends.

The extent to which childcare facilities use digital technology varies considerably according to resources available and internal policies and procedures.

The following sub-task of Task B.3 has been enhanced and is detailed on pages 58 and 29:

B.3.1: Use Digital Technology
**Sub-Task B.3.1**

**USE DIGITAL TECHNOLOGY**

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><em>ECEs know:</em></td>
<td><em>ECEs are able to:</em></td>
</tr>
<tr>
<td>1) organizational values, guidelines, policies and procedures (e.g., children’s access to digital technologies, use of digital cameras in the facility);</td>
<td>a) operate computer hardware and software;</td>
</tr>
<tr>
<td>2) basic use of computer technologies and applications (e.g., personal computer, tablets, gaming software, social media);</td>
<td>b) use the Internet, for example:</td>
</tr>
<tr>
<td>3) issues related to the use of digital technologies, (e.g., privacy of information, ethical interactions with children or parents using social media, screen time versus physical activity and face to face interactions).</td>
<td>• to respond and build on children’s interests (e.g., to find answers to children’s questions);</td>
</tr>
<tr>
<td></td>
<td>• to organize activities (e.g., book outings);</td>
</tr>
<tr>
<td></td>
<td>• for professional development;</td>
</tr>
<tr>
<td></td>
<td>c) use digital technology to communicate with colleagues, parents and other resource professionals, when appropriate (e.g., email, newsletters, social media);</td>
</tr>
<tr>
<td></td>
<td>d) operate other electronic devices (e.g., cameras, DVD players, CD players);</td>
</tr>
<tr>
<td></td>
<td>e) access organizational information in databases or in electronic files (e.g., wait lists, files on individual children, payments), if applicable;</td>
</tr>
<tr>
<td></td>
<td>f) stay up to date with current digital technologies and their uses;</td>
</tr>
<tr>
<td></td>
<td>g) supervise children using digital technologies (e.g., electronic games, social media, research, projects):</td>
</tr>
<tr>
<td></td>
<td>• ensure organization’s guidelines are followed (e.g., amount and frequency of screen time, appropriate content);</td>
</tr>
<tr>
<td></td>
<td>• help children to be safe online and protect their privacy;</td>
</tr>
<tr>
<td></td>
<td>h) determine program outcomes linked to use of digital technology (e.g., collaborative webpage for older children);</td>
</tr>
</tbody>
</table>
|                          | i) promote critical thinking among children with respect to content on the Internet and amount of screen time.
Contextual Information - Task Ratings:

- Importance: very important
- Frequency: daily
- Time to perform proficiently: 1 to 3 months
Task C.5

Collaborate with schools

Context Statement:

Early Childhood Educators collaborate with schools to enhance their services. The educators and the schools share a common commitment to the well-being and development of the children in their care.

The following sub-tasks of Task C.5 have been enhanced and are detailed on pages 62 – 64:

C.5.1: Form Collaborative Partnerships with Schools
C.5.2: Communicate with Schools
## Sub-Task C.5.1

### FORM COLLABORATIVE PARTNERSHIPS WITH SCHOOLS

<table>
<thead>
<tr>
<th>Required core knowledge</th>
<th>Required skills and abilities</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>ECEs know:</strong></td>
<td><strong>ECEs are able to:</strong></td>
</tr>
<tr>
<td>1) organization’s mission, values, policies and procedures, special projects and program;</td>
<td>a) respect the roles of school staff and educators;</td>
</tr>
<tr>
<td>2) importance of working as a team with the school to meet children’s needs;</td>
<td>b) develop relationships with appropriate school staff to better meet the needs of children;</td>
</tr>
<tr>
<td>3) school’s vision, objectives and special projects;</td>
<td>c) promote the role of ECEs to school staff (e.g., purpose-based programming, observations and documentation of children’s development, daily contact with families, holistic approach to children’s development);</td>
</tr>
<tr>
<td>4) school’s policies, code of conduct, routines, emergency procedures;</td>
<td>d) promote the child care program (e.g., mission, philosophy, rules and procedures, special projects);</td>
</tr>
<tr>
<td>5) school calendar (e.g., professional development days, exam periods);</td>
<td>e) collaborate when possible on joint activities (e.g., field trips, special events, parent advisory committee meetings, joint committees on bullying, student councils);</td>
</tr>
<tr>
<td>6) roles and responsibilities of school and staff (e.g., teachers, principal, specialists, custodian, secretary, nurse, school counsellor);</td>
<td>f) program activities and special projects considering school calendar, field trips and special projects;</td>
</tr>
<tr>
<td>7) intervention plans for individual children.</td>
<td>g) obtain approval for programming and special activities from school’s governing body if required;</td>
</tr>
<tr>
<td></td>
<td>h) communicate to children and parents the importance of following the school’s values and code of conduct;</td>
</tr>
<tr>
<td></td>
<td>i) respect school’s policies and behavioural expectations, if appropriate;</td>
</tr>
<tr>
<td></td>
<td>j) support school/program transition activities (e.g., attend/provide orientation for children and parents, help students get oriented to the school, liaise between the child care program and after school activities);</td>
</tr>
</tbody>
</table>
k) participate in professional development with schools, as applicable (e.g., conferences about complementary role in academic subjects; anti-bullying workshops);

l) recognize individuals associated with the school for their assistance/contribution (e.g., invite to events such as an open house);

m) collaborate with organization, school director, teachers, specialists and parents to discuss, plan and apply intervention plans for children with special needs, if applicable.

**Contextual Information - Task Ratings:**

- **Importance:** very important to extremely important
- **Frequency:** ongoing
- **Time to perform proficiently:** 6 to 10 months
Sub-Task C.5.2

**COMMUNICATE WITH SCHOOLS**

<td>a) exchange information with school staff, formally or informally, about:</td>
</tr>
<tr>
<td>2) effective communication strategies;</td>
<td>• children’s daily attendance</td>
</tr>
<tr>
<td>3) school and organization’s policies, procedures and communication protocols;</td>
<td>• activities (e.g., outings, fund-raising campaigns);</td>
</tr>
<tr>
<td>4) related standards of practice and code of conduct or code of ethics;</td>
<td>• events;</td>
</tr>
<tr>
<td>5) confidentiality of information policies.</td>
<td>• occurrences (e.g., lice outbreak, communicable disease);</td>
</tr>
<tr>
<td></td>
<td>b) share all pertinent information regarding individual children and their families with the appropriate school staff, respecting confidentiality guidelines, if applicable;</td>
</tr>
<tr>
<td></td>
<td>c) use agreed-upon communication tools (e.g., notebooks, sheets, journal, school);</td>
</tr>
<tr>
<td></td>
<td>d) provide advice and insight when asked, if appropriate;</td>
</tr>
<tr>
<td></td>
<td>e) maintain ongoing dialogue with school about behavioural expectations.</td>
</tr>
</tbody>
</table>

**Contextual Information - Task Ratings:**

- Importance: *very important to extremely important*
- Frequency: *daily*
- Time to perform proficiently: *1 to 3 months*
ACKNOWLEDGEMENTS

The Child Care Human Resources Sector Council wishes to express sincere appreciation to the many individuals who contributed, directly or indirectly, to this publication.

The sector council acknowledges the support and guidance of the Project Steering Committee Members:

**Karen Ohlson, Chair**
Executive Director
KIDS Inc.
Manitoba

**Athina Basiliadis**
Early Childhood Educator
First Avenue Kindergarten & School Age Programs
Ontario

**Cathy McCormack**
Early Childhood Programs Administrator
Early Childhood Development and Kindergarten Programs
Government of Prince Edward Island
Prince Edward Island

**Joanne Morris**
Executive Director
College of the North Atlantic Child Care Centre
Newfoundland and Labrador

**Diane Tannahill**
Coordinator
University of British Columbia Childcare Services
British Columbia

**Child Care Human Resources Sector Council Staff:**

Diana Carter, Executive Director
Kathryn Ohashi, Finance and Project Manager
Samantha Peek, Strategic Communications and Project Manager
Meghan Bedour, Communications Coordinator
Connie Brigham, Project Coordinator

Special acknowledgement is extended to the Occupational Standards Project Consultants Grifone Consulting and to the following representatives of the occupation:
